

STATE 4-H HONOR CLUB

The purpose of the State 4-H Honor Club is to develop leadership. Membership in the organization is one of the top honors that a club member can receive. New members are selected by the present members from applications submitted by the club members and their Extension Agent. Selection is made on the basis of leadership, moral standards, 4-H achievement and service to the 4-H Club program. Committees of Honor Club members screened the applications, and the final election was held at the State Honor Club Conference. This year the conference was held at Millstone 4-H Camp on June 24 and 25, with a total of 82 Honor Club members in attendance.
