### OBJECTIVES

1. To further strengthen, develop, coordinate and extend adult education in Home Economics through the Cooperative Extension Service of the U. S. D. A. and the Land Grant Colleges.

2. To provide opportunity for homemakers in home demonstration groups to pool their judgement and experience for the progressive improvement of the home and community life.

3. To offer a means by which homemakers may initiate, interpret, and promote extension projects of national and international importance in the protection and development of the American home.

"With the flame of freedom in their souls  
And the light of knowledge in their eyes."

—Symonds.
