

NEGRO BEAUTIFICATION OF GROUNDS.

The Home Improvement work carried on by the Negro Agents has ment improved appearance in hundreds of Negro homes. The liberal use of whitewash has resulted in better sanitation and health. The Wake County Agent says that practically every home has put forth some effort to have flowers around the place and much beauty has been added to the country-side by these patches of color. The Columbus County Agent reported three community clubs which are working on the improvement of home grounds. One member realized ten dollars from the sale of summer flowers.
