Prayer of Thanksgiving

We gather together to ask the Lord's blessing,
He chastens and hastens His will to make known;
The wicked oppressing, cease them from distressing,
Sing praises to His name, He forgets not His own.

Beside us to guide us, our God with us joining,
Ordaining, maintaining His Kingdom divine,
So from the beginning the fight we were winning;
Thou, Lord, wast at our side, the glory be thine!

Collect of Club Women of America

Keep us, O God, from pettiness; let us be large in
thought, in word, in deed,
Let us be done with fault-finding and leave off self-
seeking.

May we put away all pretense and meet each other face
to face without self pity and without prejudice.

May we never be hasty in judgment and always generous.
Teach us to put into action our better impulses,
straightforward and unafraid.

Let us take time for all things, make us grow calm, serene,
and gentle.

Grant that we may realize it is the little things that
create differences; that in the big things of life
we are as one.

And may we strive to touch and to know the great common
woman's heart of us all; O Lord God, let us not
forget to be kind.

—Miss Mary Stewart, Colorado
