Keep in Mind:

1. The State, county, and community programs should be correlated with the month-by-month Home Demon. Club Meetings.
2. Special Interest Meetings - subjects and month specialist is needed.
3. Result demonstrations - subjects and specialists needed. (Each county select and carry one to five of these).
4. Training schools for agents - number.
5. Training schools for project and neighborhood leaders - number.
6. How can County Council strengthen program? All programs to be presented through Council.
7. Consider joint programs in planning - specific subjects, number, and month they should be planned for.
8. We would like for the three State Problems to be confirmed by five agents developing patterns before District Meetings. Please know that these are only suggestions. You may make any changes you wish.
9. Check Recommendations on all projects which were presented at Agents' Conference last year.
